- 6 Follow all instructions in Bluebook.
- 7 Keep going until you're asked for the start code.

Write in here

NOTE: Keep your laptop open or your tablet uncovered and powered on during the entire duration of testing.

Read Before Hanging:

After unfolding this poster, please:

1. Print your Wi-Fi information in the space provided under step 2.
2. Hang the poster at the front of the room and in multiple locations if needed for all students to see easily.

Your app will prompt you to post the start code for students at the end of the script. (Don't post it before then.)
